CHICAGO TOUR-GUIDE PROFESSIONALS ASSOCIATION Membership Instructions & Application

All categories of CTPA members are listed in the directory, which is published annually and distributed only to members who have paid current dues. Periodically, CTPA Directory Addendums are published to update changes in member contact information and to introduce new members.

Each year renewing members are mailed an “invoice,” which shows the information we have in our database. After noting any changes required, renewing members are asked to **return their customized invoice with a check** by the dues deadline. If you misplace your invoice, please email to ask us to resend you your invoice copy.

To become a CTPA member for the first time, complete the **Membership Application and Directory Listing form**. Neatly print or type your name and contact information, as you want it to appear in the directory. Then write your Member Profile—a summary of your education, skills and training, or a description about your company. If you need help composing your summary, write down your essential facts or enclose a resume and check the box that says “HELP!” Our directory editor will contact you.

The directory is compiled in early February. *If you want to ensure your listing is included in the directory, you must pay dues by January 31—no exceptions!* Distribution of the directory takes place at the March quarterly meeting. If you do not attend the March meeting, your directory will be mailed to you.

Important:

- **Early Bird rates** apply if your envelope is **postmarked by December 31st. POSTMARK DATE!**
- **Dues postmarked between January 1 and June 30 should be paid at the regular rate.**
- **Half year dues** apply if you join **after July 1** through the end of the calendar year.

He wrote his master's thesis on Daniel Burnham and he fills his tours with interesting personal anecdotes about the gangster era in Chicago.

Louise Rawls was born and raised on the south side and has special insight into the musical side of the city. She has excellent knowledge of the club scene (blues, jazz, new wave, big band, etc.) and also loves to talk about films made in Chicago. Black History, ethnic tours, North Shore or city tours—she does them all!
